DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY BETWEEN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE CITY OF SANTA MARIA, RIO GRANDE DO SUL, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Wherever you go, take with you the graces and the blessings that you received from God.

Whoever you meet on the path, may they receive from you a compassionate gaze and a presence that radiates peace.

Whatever you do, may there be the Gift of Divine Mercy in your actions so that within everything, you put forth love and gratitude.

In your life, child, recognize you were rescued by the Power and the Love of God and, in everything you do, give thanks to the Father for His goodness.

Fill all things with the spirit of gratitude so that, thus, more souls also receive this blessing that you, as a beloved child of God, have received.

Make your life a permanent thanksgiving action and aspire that each being can receive these same graces.

Your heart was called to be a gardener in the Gardens of God and, with the seeds of the flowers that were born within you, to generate more Life and more Good.

Go and do not be afraid to announce, give out and multiply what you have received. See each soul like a flower that thirsts for God and pour over it the water which overflows from you when you are united to the Father.

So that you could grow, a gardener of God sowed Love within you. Now, child, you too learn to be a gardener in this time.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
