MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

That My last Words may write the triumph of My Love in the book of your soul.

That, in this new cycle, your memory may recall the passage of each Instruction delivered, and that your spirit may be enriched with the impulses of light sent by My Heart.

That each one of My Messages may serve you as encouragement, strength and hope so that, someday, when you are before the portal of My Presence, your consciousness may definitively surrender to Me, in love and in trust.

Let My last Words not only be written within the book of your soul, but also each vibration emitted by My Voice fill the deepest place of your being so that you may learn, through My Messages, to be in Communion with Me.

You will still cross deserts. You will still feel loneliness.

You will still find the bitter drink of gall, like the one I drank for the last time on the Cross.

But you will never feel abandoned, despised or offended because if in truth you have been with Me, each test will be an opportunity of taking a new step.

You have renounced in order to follow Me. You have surrendered your family to God to follow My steps and, after having lived and experienced so many challenges, you are here today, before Me.

I know what it means for you to leave everything. I know what it means for you to surrender everything.

Do not forget that I was a human like you, who experienced, in His own flesh, the abandonment and the loneliness of the heart.

But That One, who is above everything, That One, who is beyond everything, will always place you in His Arms because He knows that you are fragile, small and inexperienced.

The Celestial Father will always give you His Love, for you to live it.

My Words engrave in your soul the inner treasures, which will prepare you so that someday, soon, you may recognize Me. And on this day, without adversity, without suffering and without anguish, you may sit at My Table to share the Bread of Life and of Renewal.

Remember that I always want to be within you.

I need a refuge to relieve and strengthen Myself in, in the face of everything that I see in the world.

Do not separate from Me.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
