DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today's rain is formed by the tears of the great angels of the nations of the world; a cry that spills from the faces of the angels, from seeing the seriousness of the planetary reality and, above all, from the lack of response and consciousness after humanity was warned, several times, that it should follow the path of repentance and penance.

The cry of the angel that governs Uruguay is very meaningful and great since that population condemned itself and favored that its representatives take their own nation to spiritual condemnation.

This is why, during these days, a part of the Consciousness of the Divine Messengers will be here, supporting the Center of Aurora so that it can continue sustaining itself, waiting for an inner response from those who live in this nation.

The tears that come from the eyes of the angels are not for the errors committed, but for the absence of Mercy that these people will have at this time since the Source will be retreating to give space for the descent of the Divine Justice, that which will correct and place everything where it belongs.

It is an unknown Justice for all humanity; this is the reason why the angels of heaven, the ones that govern the nations, are crying. And they cry even more for those that were conscious of all reality and that, by their own opinions and decisions, turned their backs on the Master, forgetting the essential principles of the spiritual and evolutionary life.

Today is a day in which those who pray, more than ever, should pray in order to attract to the Earth the Consoling Spirit of God for those who no longer have a return, not even an opportunity.

I wish that you could understand deep within your hearts what it means to never again receive an opportunity.

Therefore, I ask you to pray for My closest children, those who were by My side and now have left Me because they got tired of Me.

May God have Mercy for the nations of the world and for the ungrateful.

I thank you for accompanying Me from the heart!

Who blesses you,

Your Master, Christ Jesus
