WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To My dear children of the Planetary Light-Network

Children,

Now that you carry the spiritual symbol of the Confraternity, of the Brotherhood and of love among beings, stamped upon your chests, may your souls definitely dare to take this last and great step toward the path of the apostolate of Christ.

May this star that confirms in you the existence of the Mission and of its fulfillment on any part of the Earth be the impulse of light that will place you selflessly at the service of others and for the Kingdoms of Nature.

May the Sacred Heart of My Son, His Flame of Fire and His Holy Cross, impel you in this cycle to always say "yes" and to abandon any sign of tepidness.

Now is the time of the presentation of the apostles and of the missionaries that will build the Plan of God, first within themselves, by means of prayer, of service, of instruction, and of healing; and then to build it and share it with the rest of humanity.

Now is the time that more stars of light ignite in the firmament and begin to be part of the new Planetary Light-Network which, despite the circumstances or the events, will defend from itself any act of disobedience so that unity with the Divine Plan and the Supreme Hierarchy may finally be lived.

My children, the path of redemption is open by means of the service and the testimony that your hearts can live, in perfect union with the Hierarchy.

May this new symbol that today you carry on your chest be revered, valued and loved, in the same way that you would receive the presence of the Hierarchy in your homes.

In truth, children, it will be the spiritual Hierarchy Who, in this new cycle, will want to govern and guide you so that more and more consciousnesses may be removed from the world system and from the planetary illusion.

The Hierarchy hopes that the majority of souls can learn to live in a brotherhood that is divine, humble, powerful and unconditional in its surrender, in its service and in its constant and infinite donation.

All those who today carry on their chest the sacred symbol of the new Light-Network will be saying to the Universe that they accept the awakening of the consciousness, the transcendence of all suffering through love and the constant confirmation of aspiring to belong, someday, to the Divine Plan of the second coming of Christ.

This is the symbol of peace; it is the impulse that invites you to readiness and the absolute surrender of self so that, from now on, the Hand of God and the Flame of His Divine Grace may be upon you, which will enlighten you in these times of darkness.

May the sacred commitment and the fiery aspiration of being worthy children of God ignite within you.

I wish you a good beginning, to all of My missionary children of the Light-Network!

May the inner light of each being reach the whole world.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
