First weekly Message of Mary, Rose of Peace, in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

My dear children,

My Maternal Grace expands in the silence of My Heart. This way, I can arrive into the world and, through the sincere prayer of My children, I can reach and help the souls that need it the most.

This is the time of Grace. This is the time of Mercy.

All My children should reach the Fountain of Graces; all should feel their inner affiliation with Christ.

My Maternal Grace comes to help the lost humanity.

My Maternal Grace comes to awaken the sleeping consciousness of the human being.

My Maternal Grace comes to withdraw from the illusion those who accept Me and receive Me as their Spiritual Mother; thus I will be able to help the world even more; thus I will be able to pour my Graces into the empty and solitary hearts, into the hearts without God.

The moment of inner conversion and of the conversion of life has arrived.

The time has come to open the inner senses to listen to God and hear His Message.

We are now in the time for Love to win again, just as the Love of My Son won on the Cross.

I thank you for accompanying me!

Who always blesses you,

Your Mother Mary, Rose of Peace
