DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May the tests of each day help you to grow in spiritual maturity, in faith, in love to your brothers and sisters, in trust in God.

May the tests of each day forge your discernment so that, in the acute moments of the planet, you may know how to unite to the Spirit of God to think and act.

May the tests of this time demonstrate to you the presence and the accompaniment of God so that, in times when most of humanity will lose their faith, your hearts may be filled with the certainty of His Presence.

May the tests of today make you strengthened in spirit, and may this fortitude reflect in your human condition so that you may learn to be humble and know that nothing happens out of the Divine Will when the hearts live under His Laws and fulfill His Plan.

Each day, children, God builds within you a little of what you must become. This happens in different ways, with graces, but also with difficulties, with miracles and with human frustrations so that, gradually, you may abandon your most profound roots of the retrograde condition and express the true essence of what a human being is.

Live each day with gratitude and live each test with the consciousness of the Presence of God. Thus, you will know how to let yourselves be guided by His Holy Heart.

I bless you today and always.

Your Father and Friend,

The Most Chaste Saint Joseph
