**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My little ones,

When you break a vow made to the Lord, come to Me and I will heal you and I will listen to you. One's own life is a life to be transformed by the fire of My Love.

Today I invite you to imitate the little Christ so that you may live the Love upon My arms while resting. Everything that still offends the Lord is there to be liberated.

For this reason, My little ones, we must pray so that the world may reach the Light of the Lord again. I listen to your afflicted hearts; therefore, My little ones, cling to My praying voice so that your beings may come out of the shadows and the new Light that I am bringing may shine. Find in Me your rest and wait in confidence for the Mother of the Heavens to arrive to your encounter.

My dear ones, let us alleviate the evil of the world through the constant vow of reparative prayer for all the causes that offend God. Each prayer must spring like the force of the Divine Love in your hearts. In this way, My little ones, the course of all hearts will be able to change for the good of all.

Love the power of silence and find in it the Kingdom of the living prayer. Let us alleviate the world and the hearts from the noise that each heart carries upon itself. Therefore it is the time to give more of oneself, without restrictions; it is the time to learn to love.

In the love that guides you,

Mary, Mother of the Divine Conception of the Trinity
