**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

*Trust in My Heart that I will shelter you. Do not fear for that which you still have not overcome.
Rejoice in My Immaculate Heart so that My Love may echo within you.*

Dear children,

Today I call you to the daily contemplation of prayers. This will allow, My little ones, that the requests that are pronounced from the Earth by each one of the souls, be heard by our Most Beloved Lord of the Heavens. Today I invite you, My dear ones, to the meditation of prayers that elevate the spirit and the soul. Raise your voices to the Heavens so that I, the Queen of Peace, may intercede for all the souls that in this final time lose themselves in materialism and ambition.

Therefore, My little soldiers, ignite the praying inner fire so that, together with My Immaculate Heart, you may help Me in the liberation and in the forgiveness of the whole world. I listen daily to your prayers and My Immaculate Heart will respond to your requests according to the Will of the Lord.

I love your hearts very much, I contemplate you moment by moment. Thank you for responding to My daily call. My Heart protects you; we are united in prayer and in Mercy.

The Kingdom of My Peace in your hearts.

Who protects you from everything, in the Celestial Light, Mary, Mother of the Divine Conception of the Trinity
