WEEKLY MESSAGE, TRANSMITTED BY THE MOST HOLY MOTHER OF GOD TO MOTHER SHIMANI

My beloved children:

Blessed be Christ Jesus in your loving lives and praised be His Holy Name forever.

On this day in which I have My brave Marian soldiers enveloped in My Mantle of Light so that evil may not approach them, I want to tell you that more than ever, I Am with you.

I know that you feel My protection and that of My Son in the great tests that you are living and it will always be like this because together we will be able to defeat the opposition that manifests itself in order that the plans of the Highest are not fulfilled.

Today, My children, after the important lessons of these days, I want that you meditate together with Me and that you contemplate how a peacemaker, a Child of Mary, a Warrior and an Apostle of the Mercy of Christ places themselves before the tests and the attacks of the enemy.

A child of God the Father who lives the Graces that are poured from Heaven, lives in the joy of serving, conscious that each difficulty will strengthen their spirit for what is to come and will give to their consciousness the necessary impulse for the definitive transformation.

A Warrior and an Apostle of Mercy guards in the heart the lesson and hands to God its experience of pain so that the Father, in His Love, may transform it into courage and faith.

An Apostle of My Son is filled with joy when he or she feels their own spirit full of courage because they know that the same strength is entering into their being that Their Lord lived in His Passion.

A child of Mary, a missionary of Her Plan of rescue places all of its being on the path of the joy of serving, looking with the heart at all the good that is to come and surrendering without doubt its destiny in the hands of their Mother of Heaven, who will conduct them through the path of light and protection.

You have been able to intensely experiment, beloved children, what it is to live under another law, within the hand of the Powerful Lord of Heaven, He who has shown you His Power over all of the events of Heaven and Earth.

Today I ask you, in the name of the Most Holy Trinity, that you redouble your efforts so that your consciousness may be always attentive and vigilant, so that you may intensify prayer and fasting because through these little surrenders the shield of Grace and the protection of the Celestial Hosts will be with you.

I want you to know, My beloved ones, that the Universal Mother counts on all of Her beloved missionaries, those who take the risk of giving all out of love for the Universe and its creatures.

Afterwards the Divine Mother dictated a prayer so that her missionaries may recite it before leaving for a task:

Prayer of the Missionary

In God, we all are,
to God, we all respond,
in the hands of the Highest, we rest.

In the Heart of Christ, we are transformed,
under the mantle of the Universal Mother, we are protected,
of the Holy Spirit, we are nourished
for all Eternity.

Amen.

Thank you for being today with Me.

I love you and I bless you all,

Mary, the Universal Mother.
