DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companion,

It does not matter if you still do not have a completely pure heart for Me because what I expect is that someday you achieve this inner transparency, and that it be true within what is material, what is mental and what is spiritual.

Meanwhile, do not fear to find yourself and to refind yourself, again and again, with the aspects of life that have been formed through daily habits, the time will come to transcend them.

Continue onward and trust in the relief that My Heart can give you.

There is no greater Love than that which the Master has for His friends.

Hold on and with faith walk towards an encounter with Me. I have everything to give you and to present to you.

Do not allow sadness or helplessness to defeat you.

Trust again in what you may achieve someday.

I know that love on Earth can be real when it is offered to God beyond all people.

Love is capable of freeing and not possessing. For this reason, sometimes souls suffer because they try to possess through love.

Dare to learn through Me.

My Love is a school.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
