DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRASIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When the Sacred Names of God are invoked, their codes of life are poured out upon the consciousnesses that called them, and this also brings and awakens renovation.

In the Sacred Names of God is the spiritual impulse that souls need to learn to live the Divine Will.

The Sacred Names are doors of contact with high levels of the One Consciousness, and their invocation spiritually attracts the healing, light and redemption that souls need to evolve and transcend their earthly aspects.

The Sacred Names are powerful streams of divine energy, and these Names allow the soul to reconnect with God and with the whole Universe just as with the Source of Creation.

The Sacred Names of God activate in the essences the primordial remembrance of their origin and spiritual provenance.

The Sacred Names place the spirit of consciousness in the echelon of the spiritual ascension and redemption.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master and Lord, Christ Jesus
