DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Choose to get past yourself and move on.

Choose to silence and overcome the temptations that your mouth leads you to live, destroying with your word of illusion the truth that your soul tries to build.

Choose to pray with your heart when there is distress within you so that it may be dissolved by the presence of God.

Choose to confess before Christ and build between your heart and the Heart of the Lord a path of humility, solid and firm, where your feet can tread.

Choose to obey and strive to build in unity this Work of which God has called you to be part of.

Choose sacrifice and renunciation so that your brothers and sisters may walk in front of you to the Heart of God, and love guarding their steps, just as a mother accompanies the steps of her children.

Choose to love God above all things and find His Will in difficulties, as in triumphs, knowing that everything in your life happens to forge in you that which leads you to fulfill the Divine Will.

Always choose to say "yes" to the Creator.

Choose to rise before the superficialities of this world.

Choose evolution.

Choose peace.

Choose to be an apostle of the last times, a Saint of the last days, a New Christ, the renewer of God's Love.

During your definition, child, always choose the right way, because behind you there are many others who hope to be inspired by your steps, in order to proceed.

Your Father and Friend,

The Most Chaste Saint Joseph
