MONTHLY MESSAGE OF THE GLORIFIED CHRIST JESUS FOR THE 70th MARATHON OF DIVINE MERCY, TRANSMITTED IN THE MONASTERY OF THE GRACE OF GOD, FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Listen within you to the Voice of God that speaks to you, the Voice that calls you to serve Him and to proclaim His Word of Life in the whole world.

This is the Voice that resounds in the Cosmos. This is the Voice that comes from Heaven to awaken souls to the Love of God, to compassion, to healing and to redemption.

Listen to the Voice of God within you and the essential purity will re-emerge from within you.

Unite yourself with the living God Who is in Heaven.

Comply with His Promises.

Live His Commandments and apply in your life the duties to God so that you may be a participant in His Celestial Kingdom, so that you may receive in your heart His impulses of Light, which will someday make you free, a participant of the Supper of Redemption, and thus you will receive the Sacrament from the Spirit.

Your soul will receive what it needs and will thus take a new step.

I come to this kingdom, to the Kingdom of Fatima, to rekindle it, as it once was rekindled by the presence of the Divine Mother and of all of Her angels.

The time has come to celebrate this meeting and to make you participants, in a conscious way, in the Mercy of God. Thus, the doors to light will remain open and the sacrifice of the Son of God will keep being recognized by the men and the women on Earth.

All will be part of this new Supper that the King will celebrate when He returns to the world for the second time.

But now, I come in Divinity. I come under the impulse of the Breath of the Spirit so that the Gifts of God may be poured out upon you. Such Gifts that at some moment will convert into talents. Talents that I will need, in this hour and at this time, to be able to help souls, to be able to save and rescue them from the dark abysses of the Earth.

It is from here, from the Source of the Kingdom of Fatima, that the world will be able to recover its innocence, the innocence it lost by the manifestation of wars, by the inequality among peoples, by illnesses, by madness, by hunger and error.

My Mercy will lead you to the essential Purity and in the essential Purity you will find God again, you will become aware of the meaning of your existence and you will not regress because I will be

by your side strengthening and tempering your spirits, transforming your miseries, redeeming your human aspects, transfiguring them into My eternal Light.

The Glory of God descends over the Kingdom of Fatima, because Its Celestial Church approaches and descends over this place to unite with the Shrine consecrated to God.

The inner worlds balance. A period of peace touches souls and makes them aware of the truth. Perdition is deterred. The apostles take their steps toward the Lord and fulfill His commandments, His designs and their duties.

Although appearances are confusing, no one will be forgotten, and the hearts will rekindle in the fire of My Love, will feel the impulses of My Soul, will receive the blessing of My Spirit and I will liberate you from the chains, prisons and errors. And thus, the nations will be liberated, the peoples will reconcile and there will no longer be conflict.

Hunger will not be the cause of so many evils. Corruption will not be the origin of so many defects. Omission will not be the path toward the indifference of human beings because the whole world, humanity, the planet, will become aware of the truth, some time before I return to the world as a beam of light amongst the clouds, like a Sun within a sun, as a greater Star amongst so many stars.

The Universe will mobilize, the higher stars will respond and the solar system, of which they are a part of, will receive the last grand impulse that will spring directly from the Heart of the King for all souls, for all self-summoned and especially for those who were not called.

The meaning of being here on Earth will be reborn, because from the Kingdom of Fatima the impulse will arise that will lead this part of humanity to its awakening and to definitively move away from ignorance, from spiritual blindness, from indifference.

Receive then My Message with joy. May the whole world hear the Word of God through His Son so that humanity is born again under the Wisdom of God and His understanding.

May this Marathon be celebrated as the perfect union with the Celestial Father, as the confirmation of all apostles before all Principles and Wills of the Father so that His Designs may descend to the Earth and incarnate in the human beings who must assume the Plan.

May the inner worlds hear this good news. Heaven descends again over the Kingdom of Fatima so that purity may awaken in the sleeping hearts, in the souls that made a mistake by ignorance and by error.

Bring everyone to Me. Place the whole world in My merciful Heart, and you will not lack peace.

I Am your High Priest, your Governor and your Master. I Am the Shepherd of all sheep and, at this time, I unite all the flocks under the First Law, the Law of Love.

And thus, the hells will close and the doors to Light will open so that everything may be illuminated and no one lose the hope to persist, just as I persisted for you until the end, and even more, until this time, and I will persist until I return to meet you physically, to give you My Peace, My embrace, and deliver to you the glorious Love of God that vivifies you, that transforms you, that elevates you in unity.

May Europe listen to this call, just as We listen to your prayers. The Lord of the Universe returns to meet you to make souls participants in the Redeeming Communion and in the great time of Mercy.

May this Marathon be an offering of love from each prayerful heart so that God may keep pouring His Grace upon the world, in spite of the errors and all evils. Because the triumph of the Plan of the Father is in the heart that loves Him profoundly and without conditions. There lies the freedom of humanity forever.

In jubilation and hope for this reunion, under the mantle of the Kingdom of Fatima, I bless Europe and the whole world, in the name of the Father, the Son and the Holy Spirit. Amen.

May Peace be in all. Amen.
