DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through My Love, I give you the keys to expand and open the consciousness toward all the knowledge of the divine and the cosmic.

These keys which I give you will help in the concretization of the aspirations of God, which must be fulfilled through the unconditional surrender of the followers and those close to Christ.

To open the consciousness and to expand it means to be able to recognize within the self, the Plan of God, which is to be designed and formed with the unconditional dedication of each being that risks living an unknown Will, which goes beyond forms or the movements of the consciousness.

This is the time of definition so that the doors may open and souls may recognize that it is now time to take on the Plan and, mainly, the moment to live a transformation of consciousness which will be the means to manifest the Divine Plan within humanity.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
