DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear companions,

Everything is now prepared for the glorious descent of your Master and Lord.

Everything was prepared with love by the hands and hearts of My followers.

The victorious door of merits and the legacy of the Passion and of the Resurrection of your Lord will open again.

All the spiritual Universe is awaiting the great moment in which the Shepherd and King of kings will return to celebrate the redeeming Communion with His friends.

While the doors of the Universe are opening, as time goes by, the pressure and oppression of the hells are becoming unbearable, since the powerful Codes of Christ are descending over the consciousness of the planet and of humanity.

Thus, the seven angels of the trumpets are positioning themselves in the proper places, while the Arc of the Holy Covenant, that carries the Holy Chalice with it, is placed near the dimension of the Earth.

All that is contrary will become paralyzed during the eight days, when the Son of God descends in spirit to Earth, and the end will begin within humanity.

I thank you for truly accompanying me during this Sacred Week!

Who blesses you,

Your Master and Lord, Christ Jesus
