**MESSAGE FOR THE SPECIAL APPARITION OF MAY 8, 2019, RECEIVED IN THE CITY OF FĀTIMA. PORTUGAL, TRANSMITTED BY MARY, ROSE OF PEACE AND LADY OF THE HOLY ROSARY, TO THE VISIONARY SISTER LUCÍA DE JESÚS, FOR THE OCCASION OF THE BIRTHDAY OF MOTHER MARÍA SHIMANI DE MONTSERRAT**

On a day like this, more than one hundred years ago, under this sky I reposed My Immaculate Heart, warning the world about the trials of all times, calling human beings to penitence and prayer, to consecrate this world to My Heart, and so that humanity might live a longer time of peace.

On a day like this, more than one hundred years ago, My Heart opened to the world a new cycle, attracting universal and divine Laws that, with the presence of My angels and archangels, made the original purity descend over this planet, manifesting here its dwelling.

On a day like this, more than one hundred years ago, I brought to the Earth the Mirrors of Purity, which radiate to all life the purest essence of Love and of Divine Grace, the thought that God emanated when He created His Celestial Mother, when He emanated the Divine Womb, from which all things would arise, from which His First-Born Son would someday be born on this planet.

On a day like this, more than one hundred years ago, God granted a unique Grace to the planet, and the key to access it is the power of sincere prayer and the purity of the heart.

The Creator Father delivered to His children the gifts that would allow them to return to the Source and, more than this, sanctify and consecrate humanity through the Christic code of love and wisdom.

The Sun that shined forth here, dissipating the clouds that were in the sky, brought an eternal light to the Earth, removing the millenary roots of error and of evil in the heart of human beings, which instigates them toward wars and self-destruction.

Today, children, I come as a new Sun, a spiritual and profound Sun, which descends to the Earth with new Laws, instituting and opening a new time and a new cycle. Prayer will continue to be the key for you to find what I tell you.

I come to warn you today that the world still needs peace, but not only the peace that dissipates wars, but rather spiritual and inner peace, which gives back the life of those who have lost it, although they circulate in this world as if they were alive.

The human beings are losing their original essence, their divine purity. And today I come with a new Sky to prevent and deter the advancement of darkness over My children. My Kingdom must be revealed to this world, universal Truth must become a reality in the life of all beings so that they may recover the sense of their existence.

Do not be afraid to accompany My steps; do not be afraid to surrender your lives out of love for God and to lose human control and power so that God may reign within you.

In this time, it is urgent that souls awaken and that the Kingdom of God may be established. It is urgent that the supreme Truth may come to light, that beings may receive the Gifts of God, that nations may be redeemed and the spirits may return to their origins with the learning of the Christic Love.

I just ask you to accompany Me with prayer, but also with action, with instruction and with the transformation of your lives.

The flowers of God, which are the precious souls of His children, are drying in this world, because they do not know the Truth and the Love of the Father.

Therefore, no longer fear to announce the new, no longer fear to enter other Laws, no longer fear to perceive that you are in this world to announce, attract and live something different and, although you may be persecuted, humiliated and rejected, do not fear.

The love and meekness of your hearts must speak louder than the criticism of humanity. The truth mirrored in the testimony and in the example of your lives must be the sign of sanctity that speaks to the world about the presence of the Divine Messengers.

A new reality must be established in consciousnesses; a new instruction must descend to the Earth. And for this, it will not be enough that instructor souls, sent by God, speak to the world. But all of you, My children, must accompany this new cycle, without fear.

Be the heralds of a new time, be the saints of the last days, those who overcome themselves out of love for a Greater Plan and Purpose.

Today I bless and support My dear daughter, the one I sent to represent My Motherhood to all of you. And I tell you that it will not be enough that she give all of herself; each one of you must accompany and support this surrender.

Be one body and one Work that, on behalf of humanity, responds to God's Will and Designs.

I bless you and thank you for responding to My call!

Your Mother Mary, Rose of Peace and Lady of the Holy Rosary of Fatima
