DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM LISBON, PORTUGAL, TO ROME, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

Feel yourself in the Hands of God, in spite of the difficulties and adversities, because the Love of God and of His Son will always triumph, and at the most culminating moment, all darkness will disappear and everything will convert into light and into peace, as in this moment.

I know that fulfilling My Project of Redemption through pilgrimages means, to those who say they are entirely with Me, a moment of overcoming, of trust and of unconditional surrender, knowing that each stage fulfilled in a new pilgrimage means and represents the true and luminous "yes" of all those who supplicate and cry for Grace.

Now the time has come for Europe because it is the one that owes the most to God and to other nations. For this reason, I carry My Mercy to the most miserable and in need of redemption because this is the moment to follow the steps of Your Lord, besides the requests made and the events.

To arrive in Italy again means to do something for a universe of souls lost in illusion and in modernities.

From Italy the impulse could arise, from all of My followers, for this pilgrimage to be completed and for nothing to be altered.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
