MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS, TRANSMITTED BY MARY, ROSE OF PEACE, RECEIVED IN THE CITY OF PALERMO, SICILY, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I am the Lady of the Tears of Syracuse. I come on this day to tell you, My children, that no one has calmed My cry for these people of Sicily, and that I still wait for the great moment of conversion of the sinners who are on this island.

Thus, I present Myself to you today as the Lady of Tears because, through My Tears, I leave the message for this place that these people of South Italy do not yet accept redemption and that, by means of appearances, they believe everything is well and that it will continue to be so.

I call My children of Sicily to repent from the heart so that you may ask for forgiveness to the Celestial Father because thus, He will grant you His Mercy and not His divine and powerful Justice.

Thus, My children, with the prayer of everyone, the people of Sicily will attain a special grace, and this grace will also have repercussions within the members of the Church of My Son.

I come to Sicily for the people of the South of Italy not to forget that the Lady of Tears cried and that She is still crying because Her children most in need of love do not want to hear Her.

I come to remove you from the power that you believe you have in your hands.

I come to offer you My maternal Heart as a path for your final conversion.

But I also come to the South of Italy, as the Lady of Tears, for one of the most serious crises of this twenty-first century, which is the migration of My children of Africa and of the Middle-East to Europe, through the Mediterranean Sea.

It is thus, My children, that the Lady of Tears also cries for the great indifference of all Europeans before the lack of welcome and of love for the refugees.

This is the time and the opportunity that not only Italy but also all of Europe has the grace of being able to reverse its debts through service to the refugees.

I, as the Mother of all, call you to fraternity and to step away from yourselves so that the one who suffers the most and escapes the conflicts and wars may occupy the first place within your lives. Thus, you will learn to know Divine Mercy.

Italy has always been a very blessed land by the saints and by the Eucharistic miracles because it is the nation that most needs Pity and Mercy for the end of these times.

All the praying beings, in this moment, can be important intermediaries before the Divine Justice so that, united to your Heavenly Mother, you may collaborate for all the important stages of the Pilgrimage to be fulfilled, according to the way God wishes and feels.

Let us continue, My children, allowing the unfathomable Mercy to descend upon the nations of the Earth.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
