**SPECIAL MESSAGE FOR THE VIGIL OF PRAYER IN THE CITY OF SALTA, ARGENTINA,  
TRANSMITTED BY THE MOST HOLY VIRGIN MARY, MOTHER OF ALL PEOPLES, TO SISTER LUCÍA**

My children,

The Lord sends Me on this day to unite, in the Heart of Salta, all Marian groups, with a redeeming and saving purpose.

I want each one of My pilgrims and those who pray to be united as one heart with My Sanctuary of Salta. So that from there I can open the Door of Salvation for the souls that wait for Me.

Each one of your hearts, My children, must be ready and willing to accompany Me in deep abysses of suffering, to rescue the souls that for centuries have been arrested in these realities.

Today, I want to carry out, with My children, a Mission of Peace and Mercy that will confirm the Glorious victory of the Lord, and will shape His Mercy on this town of Salta, and on the whole North of Argentina.

I invite you today to alight your hearts in a prayer that renews itself after each bead. And, in this way, you will help Me to maintain alive and lit the essences of many of My children that are being put out.

As the Lady of Guadalupe, I come to place in My arms all races, and above all My beloved indigenous children. By means of the Love of My little pilgrims, I want to liberate the suffering and incomprehension that live in the hearts of many indigenous peoples on this planet.

As the Queen of Peace, I come to pour My Peace upon the world. And by means of each Marian group united to My Heart, at this hour I will find a door to enter into each nation of this planet.

Therefore, wherever you are, My children, know that I will arrive there, and whenever you pray with love, you will be opening the doors of your cities, nations and continents for the entering of My Peace.

As the Mother of the Divine Conception of the Trinity, I come to bear within each nation the Triune Spirit. I come to announce the descent of the Holy Spirit upon the lives of each being on this Earth, as long as you permit that the Holy Spirit of God lives in your hearts.

This is the correct time. The Lord has prepared His Hosts and His Holy Spirit already flies over the periphery of the hearts and consciousnesses, waiting for the moment of being able to enter and merge with the creatures of God.

Therefore, pray today with special devotion, united with Me. I will accompany you in this triumph of the Divine Light.

I thank you, little children, for responding to My Call every day.

Mary, Mother of the Divine Conception of the Trinity.
