WEEKLY MESSAGE, TRANSMITTED BY THE BLESSED VIRGIN MARY TO FRIAR ELÍAS

Dear children:

Lifting My eyes towards God I intercede for you and for humanity so that you may reach the light of the heart, the peace that you so much need to live in fraternity, together with My Son and My Immaculate Heart.

Children, today I wait for you again in prayer so that together, one more time, we may establish the Kingdom of the Peace of the Lord, mainly in the hearts that are sad, and tired, and that need My Maternal Love.

My dear creatures, I pray for you so that you may reach the promise of Redemption. I pray to My Son so that He may put you in the ocean of His Mercy. Thus, children, I pray for the world, asking God for all of the souls because as Mother I await that My Marian servers may lift their eyes and look at the Light of God, the Most High, a Light that comes to your lives through My Maternal Heart and from the announcements of My Son Jesus.

For this next week may you exercise the internal union with the Holy Spirit of God. Thus, little children, you will be able to find the answer in wisdom, forgiveness in discernment and the great miracle for your lives in the science of God. For this I pray so that you may convert yourselves soon, before the coming of My Son to your hearts, to your world.

Do not fear anything! Trust in My co-redeeming words because My Heart aspires that My Children, in this time of many changes, reach peace and may live the forgiveness that they so much seek for in the inner world. As Mediator before God I pray for you as humanity, enabling thus to make your hearts shine so that they may illuminate the others.

When you live the Sacraments, such as Confession and Communion, you are helping the world greatly and especially the plans of God, the Creator. For this, each of your prayers converts itself into a rose for the offer of My Heart to the thrones of My Father. In this way your hearts approximate themselves to My Kingdom, the Kingdom of My Son, the Kingdom of the Holy Spirit, the Kingdom of the Father, an eternal promise that you must accomplish until the end of your days.

I lead your feelings and thoughts towards the light of God. Raise the miseries to My Son now because He will transform them into pure redeeming love and I will raise them to the Father as an offer of redemption.

Go ahead, My children, it is the time of Peace, Peace, Peace and Peace! This is what I want for you and today, facing the Universal Sun that represents My Maternal Consciousness, I love you and I bless you in the luminous sign of the Cross of My Son.

Thank you for responding to My call for Good and for Peace!

Mary, Mother and Queen of Peace.
