WEEKLY MESSAGE, TRANSMITTED BY THE BLESSED VIRGIN MARY TO MOTHER SHIMANI

My beloved children:

You know that I am always with you, beyond your conflicts and indifferences. I love you with all of My Heart and it is through this love that I give you, in each moment, My Celestial Peace so that your beings may strengthen themselves.

Courage, temperance and love, these are the three pillars that sustained Me during the Passion of My Son and the absolute certainty of the purpose of the Father in this moment.

I want that you contemplate with your heart that which sustained Me in total fidelity and determination. These will be the pillars by which you, My beloved children, will also sustain yourselves.

Apostles of My Son, Warriors of His Mercy:

In the same way that I accompanied the Apostles of yesterday, I want to express to you, for you to guard it in your consciences, that I will be with you until the end of your days here on Earth. And I will soon wait for you in the Kingdom of Heavens, there where Our Father prepares a favorite place for the servers of His Firstborn Son.

I want that you also guard in your heart the absolute certainty of My love for all of humanity because I will not rest until the last of My children may step over the threshold of the compound where the essences are guarded from all evil.

Today, as it was more than two thousand years ago, I guard in My Heart a place for those that, out of ignorance and fear, have not been able to believe in the words of My Son. I have also forgiven all of these creatures of God that today will have another opportunity of receiving the Sacred Mercy of God.

Today I guard once again a place in My Heart for all of those who will slander you and condemn you with their ideas and with their voices. Do not fear for anything because I will be there to lift up every soldier of light who may faithfully answer to the call of Heaven.

Place in your heart My maternal words and always trust in my love of protective mother and guardian of all. I accompany you today and forever in the definitions that your consciences are living while the Voice of My Son resounds in your souls bringing towards them the universal commitment that each one is on the way to concretize.

The burning Voice of Christ Jesus calls you and My Maternal Voice conducts you towards His Heart.

I love you, dear children, with My Love of Mother, Mother of the world and Lady of your souls.

Thank you for answering to My call of love.

Mary, Queen of Heaven and of Earth.
