DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE COMMUNE OF CASTEL, CAMPANIA, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

How long will the seas and oceans purify the contamination of humanity?

How long will the human being stay submerged in illusion and remain completely blind to all of its senses?

How long will nature endure aggressions from the humanity of the surface of the Earth?

How long will humanity deny and reject the Will of God?

Has anyone ever asked oneself about that?

Where should we begin to work if everything is dark?

How to better help the world if the humanity of today is blind from their fantasies and desires?

How to act without giving up?

There is something that solves all these events, which is called love and human fraternity.

Without love, no change will be real. No reality will transform. No spirit will repent.

Without human fraternity amongst nations and peoples, there will never be equality. Never will Divine Justice encompass the Earth. Never will anyone perceive that the neighbor comes first and before oneself.

Without love nor human fraternity, world illusion will corrode the Earth and its inhabitants even more.

Therefore, it is time to love the imperfect so as to someday sanctify the consciousness, nature and spaces.

Love and human fraternity are necessary to dissolve the errors of the past, to mend the wounds and to bring healing to the consciousness of humanity that has been corrupted.

Love and human fraternity will bring the consciousness, to nations, to cultures and to peoples, that the whole world has lost the values of social, environmental and spiritual dignity.

Love will transform the impossible, and human fraternity will awaken the spirit of mutual help and of cooperation, beyond the religious and social dimension.

Humanity needs to recover its dignity before the Universe because it lost it completely, due to its errors and actions.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
