MESSAGE FOR THE SPECIAL APPARITION ON MAY 21, 2019, RECEIVED IN THE COMUNE OF CASTEL VOLTURNO, CAMPANIA, ITÁLIA, TRANSMITTED BY MARY, ROSE OF PEACE, TO SISTER LUCÍA DE JESÚS, ON THE OCCASION OF THE BIRTHDAY OF VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I Am the Mother of Pity, of Compassion, the Mother of Hope, the Mother who, silently, prays for Her children, watches over them in Her Heart and intercedes before God so that they may learn to love and to forgive.

My Children, I am here to call you toward repentance of the heart so that you may allow your past to be healed, your present to be transformed and your future to be written with the Hands of Divine Will, and not with the hands of human and superficial will.

I come to call you to recognize the Graces and warnings that, repeatedly, your Lord and Creator sends to this nation in order to clean your sins and make you truly return to the path of the Heart of God.

I come as Mother and Guardian of the Holy Eucharist so that, with the Body and the Blood of Christ, consecrated in My Hands and in My Heart, I can repair all stains caused by those who raised the elements for the consecration, but their hearts were not consecrated to God; and those who communed of the Living Eucharist and did not allow it to enter into their heart, although it was in their mouth.

I come, children, in the name of God and of My Son, to grant the Grace of forgiveness, to those who repent from the heart, and show you the path toward purity.

I do not come to judge you, but rather to show your faults because the Heart of God is wounded by the outrages committed against Him, and I am here to awaken hearts to sanctity, to call you to love the purpose of your existence, to reveal to you that there are higher truths which wait for you to surrender your own ignorance before God so that they may then be revealed.

My Heart is firm, but Pitying, because I cannot fail to warn the world about its faults. The Justice of God now precipitates over the Earth, and it is urgent that you repent from the heart and straighten your paths within Divine Will.

The time of illusion will give place to the time of the Justice of God, and all the mud that was previously hidden in the consciousness of humanity and of nations will emerge, and by itself will suffocate. It will be what is within you, children, that will make you perish, or will save you, according to that which you cultivate in your own hearts.

Therefore, do not only fear God, but fear yourselves, because the Divine Justice will touch that which is hidden within you, and it will be the very weight of human beings which will make them sink into the abysses, and then all will reveal itself, and there will be no difference amongst religions, social status, culture, nations. It will be the purity in the hearts of humanity that will make you rise amongst those who have lost themselves. The wheat will be separated from the chaff, not

by the Hands of God, but by human actions, by what is in their own heart.

Today, children, I do not come to place fear in your hearts, but I come to awaken your consciousness so that you may cultivate a pure heart, even though you are imperfect; so that you may try to balance the evils of the world, every day, through prayer; so that you may transform your consciousness and hearts into true instruments of God; so that you may perceive that you are not only here for your own salvation, but for a greater purpose, universal and divine, which seeks the awakening of a new love in the hearts of all beings.

I know that you feel distant from the realization of this Plan, but today I extend My hands and show you the path of the Grace and of the Mercy of My Son, so that you do not corrupt your hearts, but so that you find peace, in service and in the true love for God and for your fellow beings.

I bless you and thank you for being here, responding to My call.

Your Mother Mary, Rose of Peace
