DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FÁTIMA, PORTUGAL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

While your prayers rise up to the Heavens and touch the Heart of God, with their praise, the choirs of angels and archangels proclaim the redemption of souls, the past of the nations, the history of the continents, held within the human consciousness.

The love with which you pronounce your prayers to the Father builds the path towards Heaven, and the doors of the Kingdom of God open, not only to receive lost souls, but to pour upon the world the Grace and Mercy that it needs so much. The renewal which comes from the Grace of God touches the Earth and transforms it, making the ground on which beings walk sacred.

Each moment of prayer is unique and, for the companions of Christ, must be that which is most important in their lives, because it is there where a New Earth and a New Time begins to be instituted in this world.

Continue praying with love, continue crying out for peace.

Your prayers are being heard in Heaven by the Compassionate Heart of God.

Your Father and Friend,

The Most Chaste Saint Joseph
