DAILY MESSAGE RECEIVED ON APRIL 9, 2019, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRASIL, TRANSMITED BY THE GLORIFIED CHRIST JESUS TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS

My spiritual and divine body is wounded by the indifference and the debts of the world.

This spiritual body, in which dwells the living God, is being assaulted by humankind and its actions, and for now, nothing can stop it.

It is through the merits of My Passion and the prayers of the simple that this spiritual Body receives relief and restoration, because the offenses that emanate from today's humanity are truly terrible.

It is through the spilled Blood of the Lamb and the faith of the believers in Christ that the weight of this spiritual debt will be able to be alleviated, and at least a part of humanity will be able to breathe for a short period of peace before everything is unleashed.

In My spiritual Body is the Celestial Church of God and in It, the Mystical Body, which is your people in redemption.

In this union of the Father with His children is to be found the door to reverse the great debts of humanity.

We are now in the time of redemption and that Grace is being granted to all.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
