**DAILY MESSAGE RECEIVED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL,
TRANSMITTED BY SAINT JOSEPH TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Embrace the cross that God gives you, just as His Son embraced it on the path to Calvary.

Receive the flagellation of this time and stand up, again and again, in the spirit of strength and humility, offering any sacrifice, sorrow, adversity or difficulty to the hands of God and continue forward, as a reparation for this world.

In peace, live the humiliations of these times, and receive upon your face the thorns that remind you always that the only true reign is the one that comes from God and that all crowns and honors of this world are but thorns that wound, upon the faces of humans, their purity and their true face.

Let the calvary of this time guide you to an unknown Love, lead you to discover the real meaning of life, just as Christ discovered the true meaning of Love when He forgave everything on the Cross of His time.

Prepare your heart as Christ prepared His: with prayer and silence, in communion with His Father.

Because the calvary of these times are now before you. The trials that summon you to the overcoming in Love have already begun. Now, child, you must look to Heaven, to the Heart of your Father and Lord, to say to Him: "Father, my heart is ready."

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
