Daily Message received during the trip from the Marian Center of Aurora, Paysandu, Uruguay, to Santa Maria, Rio Grande do Sul, Brazil, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

Never close your heart to God for He, Who is wise and powerful, merciful and just, understands the limitations of your soul and consciousness.

Each time you feel at the edge of the abyss, give Him all that you are and everything you have experienced, knowing that His Creative Power transforms all things. There is no fear that cannot be dissolved or misunderstanding that cannot be clarified.

Each stage and moment in life is unique and unrepeatable. Each hour that goes by is renewed and what happened up until recently is left in the past.

For this reason, live in the present and inner blame will disappear. God loves you above all things and His Love is nontransferable.

Take a step toward the new life, to life renewed in Christ; in this way, you will succeed in seeing each test with a different degree of understanding and of wisdom.

Never lose your peace, the peace that will lead you to the Whole.

Trust that everything will transform. I am here for that. I am your Mother.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
