DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To see the reality of the world, day after day, and, above all, the reality in which souls that once were by My side and are now not to be found, is like having a spear once again piercing My side, or carrying a heavier cross than the one I once carried.

Human beings cannot know what spiritual life truly means without first loving, experiencing and respecting it.

It is for this reason that some souls that were with Me before did not manage to be consistent with Me because they did not manage to truly love the path that I had offered them. These souls only passed through My Path, but My Path did not pass through them.

So those souls may believe they are happy or free from fulfilling their commitment but, in truth, they remain empty like a boat without a compass, remaining at the mercy of the world, remaining open to the struggle between material life and chaos.

But for these souls to recognize the lack of faithfulness to Me is like feeling a thorn piercing the foot, because the path remained unfinished, the soul remained without the opportunity of finishing and closing what once caused it to be indebted.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
