DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The soul is similar to an ardent flame, that which, before any blow of the wind, must make an effort to remain ignited all the time.

For this that soul that, with humility, may make use of My Fire will not be quenched because it will resist any contrary current.

I only ask you to be united to Me in order to discern step by step, avoiding in this way the excessive movements of your temperaments. The merciful prayer will always bring you light upon all of the subjects. Whoever waits for an answer from the Divine Wisdom of God must only pray with the heart because the answer will come by some path.

For this do not fear making mistakes, fear in truth to be deceived about yourselves and to lose the truth from the Highest. For this My Heart is a mediator between Heaven and Earth, My Heart communicates to you the Voice of the Highest. Be in Me and you will be fine, and now assume the school that each one must take at the end of this time, the school of the redemption to reach forgiveness.

Under the Love of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus
