**Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús**

May the Star of My Peace illuminate the paths of the inner worlds so that the essences may always find themselves in the ocean of faith and compassion.

May the path of the believers in Christ be purified so that the path of the New Christs are able to manifest.

May the exclusive conviction of being in Christ exist during this planetary time. May His soldiers of prayer never grow tired and never drop their arms. May their purest intentions and their supplications be always heard by the Noble and Loving Heart of God.

May all mysteries be revealed in this hour so that, beyond all science or understanding, consciousnesses awaken to the true reason that brought them here; to carry out the Will of the Father God, of being able to finally see, on the surface of the Earth, a new and responsible humanity that lives for the sake of love, the principles of an evolving and ascending life.

I thank you for responding to My call!

Who blesses you

Your Mother Mary, Rose of Peace
