Daily Message received in the Marian Center of Figueira, Minas Gerais, Brazil, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

Companions,

On the eve of the Nativity, I want to tell you to have, from this moment on, your hearts prepared to receive the inner impulses that will come directly from My Heart because, for this cycle, these impulses will place you upon the path to concretizing and representing the Work of Christ on Earth.

For this reason, for you, this cycle will mean an opportunity of placing all of your attention on the true circumstance it represents, rather than on the party that it popularly represents, year after year.

The Nativity is an inner opportunity for the renewal of vows with the inner Christ of each being, it is the opportunity of expanding the commitment that each soul acquired before incarnating on Earth.

For this reason, companions, the Nativity signifies the drawing closer of the Christic Laws to the planetary consciousness, for all of humanity.

Who in truth knows how to take advantage of this circumstance will be greatly benefitted, and will not be distracted by the parties that the enemy has created throughout time, on this special date.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
