DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE SACRED HOUSE OF MARY, MOTHER OF SAO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Just as your Lord renewed all things in each step with the Cross, also renew yourself in the planetary passion, My child.

There is no weight that God may place on you that you are not able to bear.

There is no fall that you may experience in which you cannot get up from.

The love latent within you must awake and grow, and that will happen in your overcoming of self, each day.

Receive the graces from the Father so that your heart may be firm and anchored in the love for His Divine Purpose.

Pray, and may your prayer be sincere, because from it will come the strength that will make you rise, again and again, with cross of these times, and in each fall, love will grow within you; in each step, love will expand within you.

Experience agonies without fear; experience humiliations without fear; experience loneliness without fear; experience sacrifice without fear.

Fix your gaze and your heart on the calvary of this time, where you will not only die to yourself, but you will surrender everything that you are so that, through you, God may renew and surpass His Love.

Without fear, shame or pride, dare to be a Christ of the New Time, because for this your Lord called you by name. Let each day be lived for this Divine Purpose.

Contemplating the memory of your Lord with the Cross, imitate His steps and allow your heart to find the Love that He felt for the world and for the creatures that inhabit it; the Love He felt for the Universe and for all the life that evolves within it.

Let your heart make space for the Heart of Christ so that you may learn to be in the passion of this time, not only as an imperfect human being, but also as a spirit envisioned and manifested by God to recreate His Creation.

That is what you are. That is what this planetary moment will forge within you.

Thus, release the reins of your life and no longer walk towards what you think you should be. From the way you are now, God will make a Christ of you. Simply live that calvary and surpass yourself each day. The time will come in which God Himself will surpass Himself, within you.

Your Father and Friend,

The Most Chaste Saint Joseph
