DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF PALERMO, SICILY, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The Plan of Redemption will be concretized through difficulties, because it will be the moment in which the soul and the spirit of each disciple of Mine are confirmed, in absolute faith and in trust, so that the Work within this end of cycle may be completely realized.

But this is the time in which everything can happen, above all, in those regions where the spiritual, moral and inner need is immediate, and souls sleep because of the modernities.

In this sense, it is this that the Hierarchy contemplates and observes within the inner and spiritual needs of those who most lack love. Thus, the divine impulses come to be able to reverse many needs in order for souls and hearts to assume their responsibility.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
