Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

O warrior heart! Beseech the Celestial Father for the rain of meek humility to descend upon you so that your spirit may be eased in the face of all the adversities and challenges.

O warrior heart! Let the momentum of your faith never waver. May the fire of love that is born of your confirmed heart be renewed, time after time, regardless of the events or the tests.

Warrior heart, always be the light that illuminates in service the path of your brothers and sisters.

Never battle against anybody because your warrior heart is born from the absolute certainty of your obedience in fulfilling the Plan of the Creator.

O warrior heart! Let your shout not be sword against sword, but rather of constant prayer and pleading that brings the Mercy and the Love of God to Earth.

Warrior heart, never fear to be naked before God, empty of self, stripped of yourself, and completely surrendered to the unknown and great Will.

May your steps, warrior heart, be marked by the same footprints of your Lord, so that, in everything, you may be fulfilling and living the service to the Greater Universe.

Warrior heart, soldier without a sword or shield, guardian of love and hope, surrender to the sweet commands of your Master and Lord.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master, Christ Jesus
