Weekly Message received in the city of Zagreb, Croatia, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

May the universal Peace of My Son be in your hearts and may this Peace help to strengthen you in this time and in the sacrifice for Christ so that, permeated by the universal Peace of the Lord, you learn every day to endure the challenges and tests of these times.

In the universal Peace of My Son, may you find the trust in God which will renew you and fill you with all His Gifts so that the path of apostleship may be experienced, each day more, with greater surrender and willingness in the face of the needs of humanity and the planet.

Dear children, today God, in His universal Peace, contemplates the true effort of His creatures, of all those who make themselves available and offer themselves as disciples of My Son.

As a Mother, I protect and cultivate inner peace in you so that, in spite of the adversity of these times, My dear children, you always have enthusiasm and courage to every day better serve the Lord of Love.

Today I leave you the universal Peace of My Son so that it may inwardly be diffused to all corners of the Earth. .

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
