DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Out of all imperfect souls, I make something new and renewed.

Out of all miseries, I transform the old and, with all this, I build the new times. It is like your Master with the apostles, with whom I transformed and redeemed the world, in spite of their being imperfect.

Nothing is wasted in this Universe, everything is recycled and is transformed to offer what is best to Creation and to the others.

So, if you are transforming, being redeemed and transcending, it is for a greater good, for a goal that will benefit not only your consciousness but also the world.

Everything is transformed, everything is renewed.

Trust that, beyond the defects, something beautiful exists in you to be offered to the Creator, to be gifted to the Greater Universe.

Continue onward, trusting in all that the Universe will send you so that you may learn.

Live each moment as if it were the last and in each stage, you will find the learning that your consciousness needs.

Do not tire of saying "yes" to Me.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master, Christ Jesus
