Daily Message received in the city of Zagreb, Croatia, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

Today there are now more souls that enter the Universe of the Light of your Lord so that the deep nuclei may merge with the Nonmaterial Source.

Today there are now more souls of Croatia that in a coming cycle will feel encouraged to know My redeeming Love and the maternal Love of My Mother. This will help in continuing to dissolve the thoughtform about the misfortune and the oppression of these beloved people.

Croatia has a place, has a space in My Merciful Heart. And just today, the first steps are being taken within the beginning of a Work on the inner planes, which will assist and encourage the souls of Croatia to rediscover the path of faith and of love.

So, to make known the arrival of the Divine Messengers is to open the door of sleeping and hypnotized consciousnesses so that they may step out of the illusion and the vices that make good souls corrode, trapped in the prisons of materialism and excessive consumerism.

Thus, Croatia today will move toward an encounter with an inner opportunity that, for decades, has been hoped for by the Croatian people.

Open your arms, open your hearts, because the Light of Christ will shine and illuminate all the abysses.

Go ahead, inner Croatia!

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
