DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, TO THE CITY OF SAO PAULO, BRAZIL TO THE VISIONARY SISTER LUCÍA DE JESÚS

Each day that the commemoration of the Passion of your Lord approaches, prepare your heart.

Prepare it with songs and prayer, prepare it with silence and with awareness knowing that Christ, with His Presence, will bring a new cycle to the Earth.

Let your heart inspire others, as well as the consciousness of the Earth itself, so that all may be prepared to face the Lord.

Today He comes in Spirit; tomorrow He will come in Glory. And soon the time will come to know His true Face, for one day the prophecies will be fulfilled, one day you will see the Lord and His mysteries, face to face.

It will be in the Presence of Christ that you will truly understand His Words, kept in the Gospels. With a simple look and with the movement of His Hands, He will reveal everything that was hidden in His teaching and, at that moment, humankind will recognize its limitations and its ignorance and will humbly open to the new life.

The Presence of Christ will speak for itself. His Gaze will remove evil from within humanity and His Heart will multiply in the hearts of those who with love have waited for Him.

Prepare your hearts to experience what I tell you and do not fear.

After all the hardships of humanity, the celestial prophecies will be fulfilled and all will be as was said.

Your Father and Friend,

The Most Chaste Saint Joseph
