Daily Message received in the city of Zagreb, Croatia, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

While at three in the afternoon the very entrails of My Divine and unfathomable Mercy opens, your Master and Lord withdraws from the hells of the Earth all those who were oppressed by pain and adversity.

It is for this reason that your Lord will send His Messenger and faithful Servant to Croatia so that, through Her Maternal Love, spiritual forgiveness may be granted to all the people of Croatia, which in recent times has been a witness to conflicts and adversities.

Therefore, on this day, I come to pour out the Mercy of God where it is very needed so that, on their faces, souls may recover the joy of living and of participating in a spiritual Communion with the Creator, Who will give them the life and the love to be able to erase the past and cut the chain of errors that have been committed.

My Mercy wishes to penetrate the deep spaces of the consciousness where there is a void and a spiritual desert that has placed the Croatian people in a position of discouragement and in the lack of loving hope.

Through the Heavenly Mother, I bring you the opportunity of finding again the meaning of life, because in the Croatian people is the fortitude of survival and determination.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
