**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Aurora is a superior current of energy that supports, and, at the same time, transmutes the processes of redemption.

For this to be possible, Aurora acts through the key of gratitude since, by means of this attribute, the whole process of spiritual healing can occur.

Through the healing current of Aurora, souls liberate themselves from all the prisons that jeopardize their steps in awakening and in the degrees of love.

Aurora reveals to us the existence and the reality of our beings. It supplies the inner needs that souls have for being able to break the shackles and, thus, reach the freedom of the spirit.

Aurora is a current that unblocks the ways of the warrior so that the victory of the battle lies in the fiery heart of those who unite with the Hierarchy.

Aurora shows the truth and does not repel it, no matter how hard of a truth it may be, since the reason for all evil is in the absence of love, and in the absence of goodness within souls.

Aurora transmutes the precarious and dissociated conditions of the being, it takes the consciousness out of illusion when the consciousness opens itself to leave this planetary space.

Aurora elevates us while it loves us. Its permanence in the universal space is indestructible.

Aurora is like the Guiding Star that appears in the firmament of the night to instruct the poor and humble heart.

I thank you for responding to My Call!

Who blesses you

Your Mother Mary, Rose of Peace
