DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

The time has come to accompany the Lord in the calvary of these times.

But now, you will no longer be the Cyrenean who accompanies His steps; you will no longer be the holy women who wash the Blood of the path with their tears; you will no longer be the executioners who try to contain their souls in the middle of so much hate that they do not know where it comes from and then, at the end of everything, they are healed by the potency of the Love of God; you will no longer be those who live the Passion of the Lord with their eyes and heart.

Today, Christ will be the Cyrenean who accompanies your paths. Your tears will wash the wounds of the Earth and quench the thirst of those who live in the desert of their own cross. Now, children, it is you who must take this step.

The cross of the world will not be like the Cross of Calvary, because its merits must be others. Its purpose is to renew and overcome all love already known on Earth, as it is in Heaven. Therefore, live the present moment with gratitude and be attentive to each new day that brings with it a step with the cross.

Know how to say "yes" to the Chalice that the Lord gives you to drink and, like His Son, know how to say: "Thy Will be done and not mine."

Your Father and Friend,

The Most Chaste Saint Joseph
