DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

In each new day, elevate your thought to the Father to say to Him:

"Lord, here I am,
ready to try once more to accomplish Your Plan;
ready to try once more to be Your instrument;
ready to try once more to multiply and renew Your Love.

Lord, here I am,
with my fragile heart, strengthened by Your Presence,
with my temporary life surrendered to Your designs
so that someday I may be worthy of participating with You in Eternal Life.

Lord, here I am,
ready to rise, ready to be reborn, and, in the same way,
to die a little more every day to that which I believe I am,
and thus enter into Your Essence of Life,
into Your Supreme Truth.

Amen."

In this way, in a prayer of surrender to God for each new day, you will know, child, that every day is a day for beginning again, of rising, of walking, of trying once more to reach the Heart of God.

In this infinite path, what is most important is to always be willing to take one more step, and to do this every day.

Pray from your heart to the Father so that your little being not lose hope, but rather become renewed every day. If you do this, you will be generating merits for the salvation of those who are lost in their most profound mistakes and sins, and who believe that for them there is no more hope, there is no forgiveness, there is no way out from the abyss in which they have placed themselves.

Let the Love of God be known through your own existence. Receive the Forgiveness of God every day, and thus you will not only be renewing hope in yourself, but also, child, you will be renewing hope in the Heart of God that one day He will find in you a triumph of His Love.

Pray and with your life announce Divine Grace to the world.

You have My blessing for this.
Your Father and Friend,
The Most Chaste Saint Joseph
