WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF AUGSBURG, GERMANY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

May My Words remain in your hearts, so that the seeds of Light that I give you today may soon sprout and someday become fruitful trees; those which, in greater donation and surrender, shall be at the spiritual service of God.

Therefore, My children, in order to preserve and protect the seeds that I give you, you must only maintain the daily exercise of prayer. Because prayer will be like a rain that will fall on those seeds so that, in fertile lands, they can express and manifest themselves as sacred attributes which, in union to the Heavenly Father, will allow the surface of the Earth to maintain the Codes of Light that the world urgently needs to be able to cross the times of transition with love.

Every gesture of love towards the Heavenly Father will also allow His Celestial Kingdom to be more present in humanity and especially within His children.

In spite of the difficult times of trials, never stop praying from the heart so that prayer may always lead you to God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
