MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FRANKFURT, GERMANY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the Doors of Heaven open for your Celestial Mother to come here, the Time of God unites with the time of the world and a superior reality becomes visible, transforming with its presence the layers of illusion of life on the Earth.

I bring with Me the sublime reality of Paradise so that you can feel the Grace of being in God. Each time I approach the planet, the presence of this Celestial Kingdom transforms life upon the Earth a little more and helps humanity find the Truth of higher life and live it.

I come in this time to concretize the spiritual Mission that God granted Me and to manifest the prophecies that were announced throughout human evolution, which must be lived today.

I am awakening the hearts of those who must prepare the Return of Christ to this world through prayer and the unconditional surrender of your lives, because you have come to this planet for this. Your souls, My children, have been preparing for this moment since the beginning of their creation. The time has come to manifest and live the Purpose of God for your lives, and this happens when you definitively awaken and understand the time that you are living as humanity.

I come to concede these same unfathomable Graces for the consciousnesses of nations and for the essence of the planet so that, by the intercession of a few, many may have the opportunity of returning to God.

You already know that each time I come to a nation, it is to extract, with My Holy Hands, the roots of evil, of suffering and of illusion, which for centuries have been entering the consciousnesses of humanity to stimulate them towards evil, to indifference and to the lack of love.

We are in the time of a great spiritual battle, My children, which different from the conflicts of this world, is won through love, through unity, with the heart and with persistence in the fidelity to God and to His Purpose.

This battle is deeper than what was described in the Apocalypse of John and broader than the dimensions of life on Earth. It begins in the depths of the hearts of humanity where the consciousness must struggle with itself to remain in Love and in the Divine Purpose and then, beyond the dimensions of material life, this battle acquires greater and deeper proportions, and to win it, the hearts must attain greater degrees of love, consciousness and awakening.

For this reason, I am here. I am your Celestial Mother, the One who sustained the Redeemer up to the foot of the Cross and Who, washed by His Blood, made the commitment to sustain the cross of each one of His companions until the end of the end of times. I am here, guiding your steps and sustaining your hearts and consciousnesses through My permanence in the world.

Trust in My presence, My children, because what I come to do in your lives is to manifest the Will of God and help you so that you may help this world and beyond; so that you may be predecessors

of a new Love, for all Creation.

Today I would like to lead you to a deep awakening so that you may feel the Truth and the Kingdom of God. Therefore, pray with the heart, so that the Kingdom of your Father may descend here and may let you know, not only His Peace but above all His Grace, His Truth, His Wisdom and His awakening.

I bless you and thank you for responding to My call with love!

I wait for you in prayer.

Your Mother Mary, Rose of Peace
