Daily Message received in the Marian Center of Figueira, Minas Gerais, Brazil, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

Throughout the times, I gather around Me the apostles of the final times.

I summon them all, beyond their inner preparation, so that they can live the experience of universal love and maximum redemption.

For this reason, time and again, I not only bless them and absolve them so that they can walk by My side, but I also renew them and consecrate them as My Apostles of the final times.

It is in this sense that your Master and Lord comes to prepare you for love and unconditional service.

I call you "My Own" because I know that you can be consistent with Me in this time.

For this reason, I bring from the Universe all the impulses that you need so that you may learn to evolve and to live what I so expect from each one.

Companions, this is now the time for the apostolate, for the absolute dedication to the Higher Laws so that, finally, the world can transform.

I leave you My need; that you always live through Me, rather than through what happens.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
