DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM PALERMO TO NAPLES, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the time of My Mercy, I make the merits of the Passion descend so that souls may have an opportunity of awakening and of redemption.

Therefore, the time of My Mercy is important for your Master and Lord because at this moment the Redeemer and souls have the opportunity of reviving, not only the sacrifice of the Lamb of God, but also the most potent powers achieved through the Passion, Death and Resurrection of your Lord.

I come in this hour to concede to Italy the extraordinary and expiatory Grace of being able to reconcile with God and with His entire Plan of Love and of Forgiveness, for I know that souls need much Mercy in order to reconsider and change, just as God needs it from all the Italian people.

If at least a group of Italian consciousnesses made the change that Heaven is begging for, Italy, as a nation, would be forgiven of very many errors, and this country would reach a high degree of conversion and of redemption.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
