**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Before the Graces received during all of these days, I invite you to live love and fraternity so that all of My children may be born to the new humanity.

Dear children, for this to happen I invite you to persist in the exercise of the prayer of the heart. For this you can count on the assistance and the help of My Immaculate Heart that guides you in your path of prayer.

My children, remembering the importance of prayer in this end of times, your hearts will be able to receive the spiritual assistance of the Holy Spirit of God. Know that you can count on the Wisdom of the Father, by means of prayer, in order to make right decisions in your lives.

I want to help you to grow in consciousness so that the true heart of love may be able to reach each soul of humanity.

I want to prepare you as My Maternal Heart prepared the path for the coming of Jesus. I want you to walk directly towards the Divine Heart of My Son, remembering the importance of the communion with His Sacred Heart.

My children, as Mother I accompany you through this pilgrimage towards the universe, which your lives are realizing in these moments.

Remember that prayer is the foundation for the life of the spirit of all of My children to awaken in time and in consciousness.

Dear children, in this time in which the reality of the world needs your prayer, My Heart is calling you to serve God by means of the prayer of the heart, by means of your full trust in My Son.

With humanity in My arms, today I say to you, dear children: walk towards the forgiveness of the heart so that My Immaculate Peace may spring in the essences.

I am with you during these days in a special and maternal way.

I thank you for responding to My call!

Rest in My arms trusting in the Light of the Redeemer!

Mary, Mother of the Divine Conception of the Trinity
