DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF VARGINHA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Always listen to the voice of your heart and, in spite of what happens, trust in the potential of the love that overcomes every test, that calms every pain, that achieves every victory.

Live through the heart, giving yourself in every moment and offering yourself in reparation for those who do not offer themselves.

Always listen to the voice of your heart, a voice that calls on you to live the greatness of the Kingdom of God within your being and your consciousness.

Unite with your heart and contemplate the Sacred Temple of Christ. A Temple that will lead you to live a greater love for Creation and for life.

In your heart lies the path to, again and again, reencounter the purpose that brought you to Earth.

The heart is the portal that will lead you to peace, to then find the light that will merge you into God with the Love of His Existence.

Trust in your heart and listen to its melodies of healing.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
