DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In each moment of asking for Mercy, your offer should deepen so that love, devotion and charity may deepen within you.

Sincerely asking for Mercy, you will receive Mercy, and the flow of Grace will be open to descend upon your lives and fill all spaces.

The offering of your life to the God of Love can deepen and broaden through acts of prayer, of service, and of the giving of self so that you can experience it from cycle to cycle.

In this stage of the planet, in which the sincere offering of the heart is necessary, the doors of Mercy are kept open to lead souls on the path of redemption and of compassion, paths that will bring you to a meeting with God to establish unity between souls and the Most High Father.

May the sense of this inner deepening reach higher spheres so that the Father may receive the deepest actions and feelings of love from His children.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
