DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I unite all Christians on one Path, the path of love, because in love there are no differences, reasons nor concepts.

It is in love that My Church can be rebuilt, extended throughout the Earth, because in love it will be able to be liberated and forgiven, and everything will start from scratch.

For this reason, My Father grants you the possibility of gathering and uniting among followers of the same Christ, to strengthen the love that brought and approached each one of you toward Me.

This is the time for living in this undeniable love, in a love that is capable of welcoming and not rejecting, in a love that entirely gives of itself beyond results, in a love that lives without expectations.

I unite all Christians by means of the same love that I gave to My apostles, a love capable of transcending the boundaries of consciousness, a love that can be shared so that many more get to know the immensity of My Mercy.

In love, you will be free from yourselves, from the prisons of life and protected from all evil.

In My Love, I transform you and I gather you, once again, for you to glorify the Father.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
